The children split into groups of 10, usually by age, siblings or interests.

In addition to the activities we have a designated Early years area for the younger children to express themselves.

A chill out zone for reading, watching TV or playing on the game console (screen time will be strictly monitored)  
We have lots of additional resources available throughout the day including  
Lego, quizzes, crafts, books, comics, educational work sheets, playdough, slime making, board games.

The children have access to the fantastic, enclosed outside space to use the scooters and all outdoor equipment.

There really is something for everyone, encouraging the children to meet old and new friends whilst feeling part of our club.

Our team are experienced, Leaders are qualified in childcare, fun and caring.
